

BENTLEY CHEERLEADING COVID-19 SAFETY PROCEDURES

Practice outside as much as possible (weather permitting)

Wearing masks at all times during in-person practices

Stay 6ft apart during practice time

Zero contact, all practices will be designed to condition and train with no contact between team members and coaches

Designated space for water breaks for each team member, staying 6ft apart.

If any team member or coach has any symptoms or has been exposed to the virus, they must **stay home**.
